(Products listed as "discontinued" are no longer manufactured by Quaker but were manufactured during or after January 1, 1999, which is when our warranty sticker system was implemented. Thus, there is a possibility the factory warranty may still apply depending upon the product, the structure it was placed in, the time it was purchased &/or installed, and the availability of replacement parts.)

How to read the Warranty Sticker

Warranty Sticker's Actual Size

Quaker's warranty sticker can be found on every Quaker product manufactured after Jan. 1, 1999.
